The CONSULTANT acknowledges and agrees that if work is assigned to the CONSULTANT, each individual project shall have a specific Scope of Services agreed to by the parties and a task order shall be executed by both parties. The task order shall include all necessary provisions including, but not limited to, setting forth the time for payment, time for completion, deliverables, electronic and printed formats and any other items relevant to the task. The task order shall be signed by both parties prior to the CONSULTANT performing any of the agreed upon work.

2.2 ALL TASK ORDERS SHALL BE REVIEWED AND APPROVED BY THE LAKE COUNTY OFFICE OF PROCUREMENT SERVICES AND THE COUNTY ATTORNEY'S OFFICE PRIOR TO THE CONSULTANT BEGINNING ANY WORK ON THE ASSIGNED PROJECT OR PAYMENT BEING MADE TO THE CONSULTANT.

2.3 This Agreement shall be effective for one (1) twelve (12) month period immediately following the date of execution of the Agreement by the MPO. Prior to or upon completion of the initial term of this Agreement, the MPO shall have the sole right to renew this Agreement for two (2) additional twelve (12) month periods under the same terms and conditions. The MPO also reserves unilateral right to extend this Agreement ninety (90) calendar days beyond the Agreement period. In such event, the MPO will notify the CONSULTANT in writing of such extensions. This Agreement may be extended beyond the initial ninety (90) day extension upon mutual agreement of the MPO and CONSULTANT. Exercise of the extension periods requires the prior approval of the Lake County Director of Procurement Services on behalf of the MPO. The Agreement prices shall prevail for the full duration of the initial term and any renewal term(s) subsequently exercised. Continuation of the Agreement beyond the initial term, and any option subsequently exercised, is a MPO prerogative and not a right of the CONSULTANT. This prerogative may be exercised only when such continuation is clearly in the best interest of the MPO.

2.4 The CONSULTANT shall coordinate, cooperate, and work with any other consultants retained by the MPO. CONSULTANT acknowledges that nothing herein shall be deemed to preclude the MPO from retaining the services of other persons or entities undertaking the same similar services as those undertaken by the CONSULTANT or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

2.5 CONSULTANT agrees that this shall be an open quantity contract. The MPO shall not guarantee to the CONSULTANT any minimum amount of work throughout the term of this Agreement. Furthermore, CONSULTANT agrees and acknowledges that in the event CONSULTANT cannot meet the MPO's specifications, including but not limited to time for completion, cost for individual project etc., that the MPO reserves the sole right to offer the individual project to the MPO's alternate consultant(s).

2.6 Any work that commences prior to and that will extend beyond the expiration date of the current Agreement period shall, unless terminated by mutual written agreement between MPO and CONSULTANT, continue until completion at the same prices, terms and conditions.

2.7 Pursuant to Section 119.0701, Florida Statutes, the CONSULTANT shall comply with the Florida Public Records' laws, and shall:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the MPO in order to perform the services identified herein.
- B. Provide the public with access to public records on the same terms and conditions that the MPO would provide the records and at a cost that does not exceed the cost provided for by law.
- C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- D. Meet all requirements for retaining public records and transfer, at no cost, to the MPO all public records in possession of the CONSULTANT upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the MPO in a format that is compatible with the information technology systems of the MPO.

Failure to comply with this section shall be deemed a breach of this Agreement and enforceable as set forth in Section 119.0701, Florida Statutes.

Article 3. Payment

3.1 Payment shall be based upon a negotiated lump sum fee, arrived at utilizing the hourly rates set forth in Consultant's Fee Schedule, attached hereto and incorporated herein as **Exhibit A**. The personnel needed for each individual project shall be determined once the CONSULTANT receives the Task Order. Upon reviewing the project specific scope of services, the CONSULTANT shall submit a list of specific tasks to be performed as part of the project, including any alternate tasks, and a detailed estimated cost sheet. A list of deliverables shall also be provided. The lump sum will be the approved total hours.

3.2 Invoices shall be submitted in duplicate to the MPO at 1616 South 14th Street, Leesburg, Florida, 34748. The invoices shall reflect the type of service provided to the MPO. All invoices shall contain the RFP number, date and location of delivery or service, and confirmation of acceptance of the goods and/or services by the appropriate MPO representative.

3.3 The MPO shall make payment on all invoices in accordance with the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes. Failure to submit invoices in the prescribed manner will

delay payment, and CONSULTANT may be considered in default of contract and the contract may be terminated.

3.4 Other than the approved total hours composing the negotiated lump sum fee for each Task Order, the CONSULTANT shall not be entitled to payment for any expenses, fees, or other costs it may incur at any time and in any connection with its performance hereunder. The CONSULTANT hereby agrees that the fees set forth in Exhibit A are fully loaded and include all overhead and administrative expenses.

3.5 In the event a specific project is to be funded by state or federal monies, the CONSULTANT hereby agrees to comply with all requirements of the state or federal government applicable to the use of the monies, including receiving no payment until all required forms are completed and submitted.

3.6 CONSULTANT shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of:

5.3 Assignment or Subletting of Contract. This Agreement shall not be assigned or sublet except with the written consent of the Lake County's Procurement Services Director on behalf of the MPO. No such consent shall be construed as making the MPO a party to the assignment or subcontract or subjecting the MPO to liability of any kind to any assignee or subcontractor. No assignment or subcontract shall under any circumstances relieve the CONSULTANT of liability and obligations under this Agreement and all transactions with the MPO must be through the CONSULTANT. In the event the CONSULTANT is acquired in whole or in part by another entity, including any takeovers effectuated by a stock buyout, or other similar acquisition process, the CONSULTANT shall notify the MPO immediately. The MPO shall have the option of terminating this contract in the event the acquiring entity does not meet with the MPO's approval.

CONSULTANT shall purchase and maintain, at its expense, from a company or companies authorized to do business in the State of Florida and which are acceptable to MPO, policies of insurance containing the following types of coverage and minimum limits of liability protecting from claims which may arise out of or result from the performance or nonperformance of services under this Agreement by the CONSULTANT or by anyone directly or indirectly employed by CONSULTANT, or by anyone for whose acts CONSULTANT may be liable. (xiii) The MPO shall be exempt from and in no way liable for any sums of money which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention shall be the sole responsibility of the CONSULTANT and/or subcontractor providing such insurance.

(xiv) Neither approval by the MPO of any insurance supplied by the CONSULTANT, nor a failure to disapprove that insurance, shall relieve the CONSULTANT of full responsibility for liability, damages, and accidents as set forth herein.

5.5 Indemnity. CONSULTANT shall indemnify and hold MPO and its agents, officers, commissioners or employees harmless for any damages resulting from failure of CONSULTANT to take out and maintain the above insurance. Additionally, CONSULTANT agrees for good and valuable consideration in the amount of ten dollars (\$10.00) to indemnify, and hold the MPO and its Governing Board, and its officers, commissioners, and employees free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities to the extent caused by the negligent act, error or omission of the CONSULTANT, its agents, employees or representatives, in the performance of CONSULTANT's duties set forth in this Agreement.

CONSULTANT shall have no authority to contract for or bind MPO in any manner and shall not represent itself as an agent of MPO or as otherwise authorized to act for or on behalf of MPO.

5.7 Ownership of Deliverables. Upon completion of and payment for a task CONSULTANT agrees all Tasks and/or deliverables under this Agreement, and other data generated or developed by CONSULTANT under this Agreement or furnished by MPO to CONSULTANT shall be and/or remain the property of MPO. The CONSULTANT expressly acknowledges and agrees that the CONSULTANT shall receive no damages for delay. The CONSULTANT's sole remedy, if any, against the MPO shall be the right to seek an extension to the contract time. However, this provision shall not preclude recovery of damages by the CONSULTANT for hindrances or delays due solely to fraud, bad faith or active interference on the part of the MPO. Otherwise, CONSULTANT shall be entitled to extensions of the Contract Time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

The parties will exercise every reasonable effort to meet their respective obligations hereunder. Notwithstanding the above, the parties shall not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any government law or regulation, acts of nature, acts or omissions of the other party, government acts or omissions, fires, strikes, natural disasters, wars, riots, transportation problems and/or any cause whatsoever beyond the reasonable control of the parties. Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

5.10 Retaining Other Consultants. Nothing herein shall be deemed to preclude the MPO from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONSULTANT or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

5.11 Accuracy and Warranty. The CONSULTANT is responsible for the professional quality, technical accuracy, timely completion and coordination of all the services furnished hereunder. The CONSULTANT shall, without additional compensation, correct or revise any errors, omissions or other deficiencies in its designs, drawings, reports or other services. For all lump-sum or cost-plus fixed fee agreements exceeding \$195,000, the firm awarded the agreement must execute a truth in negotiation certificate stating that the wage rates and other factual unit costs are accurate, complete and current, at the time of contracting. Any agreement requiring this certificate shall contain a provision that the original agreement price and any additions shall be adjusted to exclude any significant sums by which the MPO determines the agreement price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such agreement adjustments shall be made within one (1) year following the end of the contract. Execution of this Agreement constitutes execution of the Truth in Negotiation Certificate.

5.13 Codes and Regulations. All work completed under this Agreement shall conform to all applicable federal, state and local statutes, codes, regulations and ordinances.

5.14 Public Entity Crimes. A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in Florida Statutes, section 287.017 for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

5.16 Conflict of Interest. CONSULTANT agrees that it will not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement, or which would violate or cause others to violate the provisions of Part III, Chapter 112, Florida Statutes, relating to ethics in government. Further, CONSULTANT hereby certifies that no officer, agent, or employee of MPO has any material interest either directly or indirectly in the business of CONSULTANT conducted

here and that no such person shall have any such interest at any time during the term of this Agreement unless approved by the MPO.

The author and the CONSULTANT shall expressly assign to the MPO nonexclusive, royalty free rights to use any and all information provided by the CONSULTANT in any deliverable and/or report for the MPO's use which may include publishing in MPO documents and distribution as the MPO deems to be in the MPO's best interests. If anything included in any deliverable limits the rights of the MPO to use the information, the deliverable shall be considered defective and not acceptable and the CONSULTANT will not be eligible for any compensation.

5.18 Right to Audit. The MPO reserves the right to require CONSULTANT to submit to an audit by any auditor of the MPO's choosing. CONSULTANT shall provide access to all of its records which relate directly or indirectly to this Agreement at its place of business during regular business hours. Additionally, CONSULTANT agrees to include the requirements of this provision in all contracts with subcontractors and material suppliers in connection with the work performed hereunder.

If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONSULTANT to the MPO in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the MPO's audit shall be reimbursed to the MPO by the CONSULTANT. Any adjustments and/or payments which must be made as a result of any such audit or inspection of the CONSULTANT'S invoices and/or records shall be made within a reasonable amount of time, but in no event shall the time exceed ninety (90) days, from presentation of the MPO's audit findings to the CONSULTANT.
